Storyboard your website

What is the purpose of your website? (pick one that comes closest to your thoughts)

- I am making this website because I want to **improve communication** between the parents and myself.
- I am making this website because I want to **use it with my students** and for my students.
- I am making this website to **communicate to the community**.
- I am making this website because *my principal told me I had to. :)*

Audience - Are you making your website for Parents, Community, Students or Parents/Students, Parents only, Students only, or Community only.
