Math Bowling

While playing math bowling, you need to show your math calculations for each frame. The rules for calculating bowling scores are:
Open Frame: Add the number of pins you knocked down to the total in the prior frame; **Spares**: 10 points for the spare + the next ball added to the total in the prior frame; **Strikes**: 10 points for the strike plus the next two balls added to the total in the prior frame..

Player	1	2	3	4	5	6	7	8	9	10	

Frame 1	Frame 2	Frame 3	Frame 4	Frame 5	Frame 6	Frame 7	Frame 8	Frame 9	Frame 10

Player	1	2	3	4	5	6	7	8	9	10
